

**EXHIBIT C
EASTSIDE WASTEWATER GFCs**

SECTION 1. Definitions. Terms used herein are defined for the purpose of this Exhibit as follows:

- a) *New Customer.* Any customer requesting new sewer service or adding to the number of units served by an existing sewer service within the District’s eastside sewer service area; or an existing customer seeking to change the customer’s classification or to increase the customer’s meter size.

- b) *Charge for General Facilities and Connection to Existing System.* A connection charge payable to the District by a new customer reflecting, pursuant to RCW 57.08-005(11), that new customer’s equitable share of the cost of the existing system and the new customer’s equitable share of the cost of planned facilities necessary to accommodate anticipated, continued growth created by demand for sewer service to new customers.

SECTION 2. GFC Imposed. Each new customer shall be assessed a GFC imposed by customer class and based upon either dwelling units or meter sizes as determined by the District.

SECTION 3. Customer Class. Customer classes for purposes of the westside sewer GFC shall be:

- a) Single Family Residential;
- b) Multi-Family Residential;
- c) Hotels, Motels;
- d) Commercial, Business, Industrial, including transient residential (e.g. R.V. Parks), Restaurants and Schools.

SECTION 4. GFC. Effective March 17, 2016 the District’s eastside sewer GFC rates shall be:

Customer Class	GFC	
Single Family - Residential	\$4,435 per dwelling	
Multi-Family - Residential	\$4,435 for 1 st unit \$3,326 for each additional unit (provided, however, total charge shall not be lower than corresponding commercial charge based on meter size)	
Hotels/Motels	\$4,435 for 1 st unit \$2,297 for each additional unit (provided, however, total charge shall not be lower than corresponding commercial charge based on meter size)	
Commercial	5/8" x 3/4" meter	\$4,412
	1" meter	\$11,085
	1 1/2" meter	\$22,171
	2" meter	\$35,472
	3" meter	\$70,944
	4" meter	\$110,851

SECTION 5. *Increase for Inflation.* The charges herein imposed shall be adjusted annually to reflect the prior year's inflation as reflected by the Engineering News Record Construction Cost Index; provided, however, that the increase shall not exceed 5%.

SECTION 6. *Change in Meter Size or Classification.*

- a) Any commercial customer seeking to increase the size of the meter serving the customer's property shall pay an additional eastside sewer GFC in the amount equal to the difference between the GFC paid and the charge in effect when the application for increased meter size is made.
- b) Any customer seeking to change classification or who does change classification shall pay the GFC for the new classification in effect on the date application for change is made; provided that the customer may receive a credit up to the amount of the new GFC for any GFC previously paid.

SECTION 7. *Additional Charge.* The eastside sewer GFC is made in addition to all other sewer connection charges and charges for administration and inspection established in Resolution No A-589 (Sewer Administrative Code) or amendments thereto. This is not a charge or payment in lieu of any Utility Local Improvement District's assessment, latecomer's fee, or main extension cost.

SECTION 8. *Use of Funds.* The funds collected pursuant to this resolution shall be applied to the District's to the City of Everett, including repayment of bonds sold to finance the District's obligation to the City, and for land acquisition, pump stations, force mains and construction of facilities of District-wide benefit as the Commissioners of the District shall from time to time determine.

SECTION 9. *Sewer Capital Improvement Fund.* The District has established in the Snohomish County Treasurer's Office an account called the "Eastside Sewer Capital Fund". Funds received by the District from the GFC shall be deposited in the Eastside Sewer Capital Improvement Fund by transfer to Snohomish County. All returns from the investment of such fund shall be reinvested after deducting the charges to the County Treasurer for such service until expended by the District.

SECTION 10. *Time of Payment.* The GFC shall be due and payable at the time of application for sewer service.
